Hello Professor Trimm,

My name is Jamal Ogans, and I am a Business Administration transfer student for Fall 2026. I'm reaching out regarding your Old Testament History and Literature class (BBST 209- 2160) on Thursdays from 9:00 am - 10:15 am that I was enrolled in previously.

Due to financial aid and administrative issues I was dropped from your course last week, but after an appeal to the Registrar office I have been approved to resume enrollment and have been given until 4:00 p.m. tomorrow to finalize doing so.

I would very much like to re-enroll in your course and am reaching out as instructor approval is required to do so. If there is anything you need from me to approve my enrollment, please let me know.

I also understand that the semester is already underway and am prepared to get caught up on any coursework or assignments I have missed.

Thank you for your consideration and assistance.

Jamal Ogans

Sorry for the late reply to this email! I'm just working through my email after teaching all day. I approve of you joining the course, but it will be very difficult for you since you have missed quite a lot of work.
